MAN Turbochargers TCR Series Parts

High quality, fast delivery, low cost. shipproducts@gmail.com

MAN Turbochargers TCR Series: TCR10 / TCR12 / TCR14 / TCR16 / TCR18 / TCR20 / TCR22

we offer parts include

MAN Rotor Assembly

MAN Turbine Rotor

MAN Compressor Wheel

MAN Basic Unit or Cartridge

MAN Nozzle Ring

MAN Shroud Ring

MAN Diffuser

MAN Gas Admission Casing

MAN Gas outlet Casing

MAN Bearing Casing

MAN Insert

MAN Air Intake Casing

MAN Compressor Casing

Engine outputs from 390 to 6,700 kW

Radial flow design

Increased efficiency due to improved compressor wheel and turbine design

Constant and pulse pressure turbocharging

Low moment of inertia for best dynamic behavior

New compressor wheel fixation for easy servicing

Uncooled casings

Pipeless design with integrated oil inlet and oil drain

No sealing air required

MAN TCR16 TURBOCHARGER

Crosscover Group Limited

TCR 16-40020

Bearing casing part no 517.001

TCR 12- 41024

compressor wheel

- 1) Thrust bearing – Part No. 517.002
- 2) Bearing bush – Part No. 517.003
- 3) Thrust ring – Part No. 520.27
- 4) Counter thrust ring – Part No. 520.028
- 5) Piston ring – Part No. 520.132
- 6) Piston ring – Part No. 520.133
